

What Barn Builder/Tiger Team Members Are and Have

- Our 50+ Team Members are made up of Senior Level Subject Matter Experts and is INFRADANT'S Corporate and Past Performance Expertise.
- 75% of our Team Members consist of:
 - Have more than 25+ years of Government Contracting and are Stewarts of the industry
 - Hold MBA's or higher
 - Hold PMI-Project Management Professionals (PMP), Six Sigma Green Belt, Information Technology Infrastructure Library (ITIL) Foundation, and Capability Maturity Model (CMM) Certified
 - Hold Security Clearance such as: Top Secret/Sensitive Compartmentalized Information (TS/SCI) /C I Polygraph.
 - US Military Academy Graduates
 - Military Veterans and Officers
- 45% or better of our Team have more than 25 years in Medical Information Technology and/or Military Medical Information Technology project implementations that include Project Management.
- Here at INFRADANT our Team Members Subject Matter Experts telecommute with Home offices, they are located around the CONUS, major cities and OCONUS. This makes them accessible and readily at anytime and keeps INFRADANT'S overhead and cost down.
- In fact here at INFRADANT we have our Team Project Managers and Team Members work the RFP's, etc. This allows our Team to understand the project from the beginning to the finish processes to be sure that the project is running at 100%. This allows for the Team Members to be shareholders of the projects.
- INFRADANT and our Team Members hold high standards of repeatable and accountability as you can see when visiting our company website.
